### PR Director Report for 8-10-19

Thank you for understanding my absence from the last meeting as I had a house full of family ready to celebrate Andrew's Baptism! He is now three months old, so it is getting easier to get back to LWML tasks.

Before Andrew was born, I was helping everyone get excited for convention by posting on Facebook. I did not attend the convention but thank you to all who helped share your experiences through pictures, likes, and comments. The Facebook page was busy, and we continue to get more people following our page.

As always feel free to send me anything you may like to see on the Facebook page. I tried to get the Spring Rallies up on Facebook too. I would love to share the Fall Rallies as well. Please take pictures if you can and send them my way!

I have also been helping prepare the Fall Alive. It is sure to be a great issue!  
Hilary Brech

### Speakers Bureau Coordinator

During my time as the Speaker Bureau Coordinator I have contacted everyone that was on the original list that I received at the time that I was appointed the coordinator. Since the speaker bureau had been developed over a period of many years and it appeared to me that many speakers listed had been included in the data base for several years. It was my goal to confirm (1) did the speaker wish to

continue being listed in the Speaker Bureau and (2) was the content of the information that we included in the data base still current and accurate.

Responses were varied from asking to be removed from the list, finding people who were no longer living in the area, a few I did not get a response from using both email and postal mail contacts and calling the phone number listed so after multiple attempts I deleted their information. Several people responded that they would very much like to remain on the speaker list and they either confirmed that their information was correct or submitted additions and corrections.

With the help of many leads that were sent my way there have been several new additions to the Speakers Bureau list. Including five (5) new entries since the last update in February 2019. They include Rev. David and Sandra Lingard - Israel trip; Lutheran Family Services; Rev. Dr. Brent Smith - Mission Central; Rev. Gary Sears - Mission work in Liberia, West Africa and Leon Kroemer - Prison Ministry. By checking the notation at the end of each entry you can see which listing was updated and which ones are new additions in the last three years. This has been a meaningful project and I appreciate the opportunity to serve the Lord in this capacity. Since my term as zone president will end at the Fall Rally this will be my last Speaker Bureau Coordinator report. It has been a blessing to serve on the IED BOD in various capacities over the last thirteen years. I have met so many sisters in Christ that I would not have otherwise known on this side of heaven. God's blessings to all of you.

Betty Borchardt

### **Vice President of Communication Report**

**Board of Directors Directory:** The District Roster has been updated for changes that have been submitted. Please make sure that your information is correct.

**ALIVE:** Reviewed the Fall Alive article submissions. A few helpful suggestions when someone submits an article for the Alive: (1) only use one period in between sentences, (2) refer to the LWML Style Guide on [lwml.org](http://lwml.org) for proper capitalization and abbreviation.

**Zone Officer and Society Officer Forms:** Each zone president has a packet with the new zone officer and society officer's forms. Instructions for completing the forms are in the envelope. The forms and instruction letters are also available on the LWML IED website at: <http://lwml-ied.org/society-resources/>. Once I receive the forms back, I will make the needed copies and hand out at the following BOD meeting. These forms are very important because they have the names of officers in case someone needs to be contacted, the number of members, and the number of *Quarterly and ALIVE in Iowa East District* subscriptions being distributed to each society each year. ***Please stress to your societies that it is important that I receive decreases in subscription numbers by January 31<sup>st</sup>, 2020. Even if there is no change in officers, a new form needs to be submitted if the society wishes to change their subscription numbers. The request to change subscription numbers must be given to the Vice President of Communication and not the Financial Secretary.***

As of July 31<sup>st</sup>, I have received 87% of Society Record forms for calendar year 2019. Society Record Forms that have not been received for 2019: Benton Zone (3), Cedar Rapids Zone (3), Clinton Zone (3), Davenport Zone (2), Dubuque Zone (1), Mt. Pleasant (1), Waterloo Zone (2). Please remind each Society that those are still needed to keep our records up to date, even if there are no changes. ***All subscription decreases were due by January 31, 2019 for the 2019 Alive and Quarterly subscriptions.***

**Society Subscription Statements:** “Bills” for the Quarterly and ALIVE subscriptions are prepared in early February, and mailed (or emailed if provided on Society Record form and copying the society president) to each Society Treasurer based on their society record form. ***Their payment should be sent to the District Financial Secretary, Marna Mohr. Please remind the societies that they should NOT send their payment to St. Louis or to me.*** While we ask that the local society pay for their subscriptions, we do know that there are societies that do not have the funds to pay this expense. If they cannot pay, they are asked to let the District Financial Secretary know of their situation. Perhaps they can pay a portion of it. We do not want anyone to be without a quarterly or alive because of a shortage of funds in their local treasury.

There are 10 societies who have not paid or have partially paid their Alive and Quarterly subscription bill for a total of \$459 remaining to be collected. Please contact those societies who have not paid to get their payment in as soon as possible. Payment needs to be sent to Marna Mohr. If a subscription does not get paid by the society, the district mites must cover that expense.

**LWML Convention:** I attended the LWML convention in Mobile, AL in June and completed my position on the Leadership Development Committee.

**Website:** I worked with Jeanette to update the LWML IED website. Please direct all updates to the website through the VP of Communication.

**Supplies:** The LWML Iowa East District Convention Badges are available for \$1 each.

**Communications:** I have sent out several communications on behalf of various members of the LWML IED BOD.

Stay in touch with the latest LWML happenings with LWML e-news, and national news, and go to [www.lwml.org](http://www.lwml.org). For Iowa East District news go to <http://www.lwml-ied.org/>. #### **Vice President of Christian Life**

Quarterly Report – August 2019

I am not able to attend the August BOD meeting as I am with my husband's family celebrating his parents' 50<sup>th</sup> wedding anniversary. I contacted the members of the Christian Life committee to prepare for my absence.

I helped proofread the Summer and Fall *Alive* newsletters.

I wrote an article for the Fall 2019 *Alive*.

I was able to attend the LWML Convention in Mobile, AL – representing Iowa East as well as the *Lutheran Woman's Quarterly* staff. There were several new resources for devotions and Bible studies, so I would encourage each of us to find one to use daily, and also one to share with a friend. LWML Sunday materials are now available online – encourage your pastor to use them in your congregation!
