## PRESIDENT'S CORNER

I live in the country. This time of year, when the trees are full of leaves and the corn is "as high as an elephant's eye", the only thing I see looking out my windows is God's creation. It is beautiful! I thank God for the beauty.

When I turn around and see and hear what's going on in our world, sin's impact on God's perfect creation is everywhere. Once again, I thank God. This time, I thank Him for sending Jesus to save us. I thank Him for Jesus' life and death on the cross to save me. I thank Him for His plan for me to be part of LWML – to learn more about Him and share that Good News with people near and far who need to know of His love. I pray for the world.

Imagine a world where everyone loved God with all their heart, soul and mind AND loved their neighbors just as they love themselves. What a beautiful world that would be. Until that heavenly day, let us continue to pray, praise and give thanks and "teach all nations" about God's love.

In June, Iowa East District held the election portion of our Convention, choosing our new leaders and our Mission Grant recipients for the 2020-2022 biennium. Check the website for the list and descriptions of each. Let us join together daily with our prayers, lifting these recipients to the Lord. Let us all remember, that even though our daily routines have changed, the daily needs of God's children have not. We all still need to hear His words and our Mission Grant recipients still need our mites so they are able to carry the Good News of Jesus redemptive work to those who need to hear that beautiful message.

## COUNSELOR'S CORNER

When Jesus speaks in Matthew 22:37-39, And he said to him, "You shall love the Lord your God with all your heart and with all your soul and with all your mind. This is the great and first commandment. And a second is like it: You shall love your neighbor as yourself." Jesus

## Counselor's Corner Cont...

is summing up of the moral law, the Ten Commandments. These commandments are binding on all people in all times and places. This Law of God is good. A law that is often marginalized by being ignored or used as a means of salvation.

We need to remember how to use the law of God. In the explanation of Luther's Small Catechism, the law is used as a curb/fence that helps prevent sin. A mirror that shows us our sin. A guide, the teaching aspect of the law that teaches us God's will and pleasure. A law that is relentless in demanding that each of us keep the law perfectly without excuse.

How do we love God? How do we love our neighbor? In 1 John 4:19, We love because he first loved us. God has loved you by Jesus dying on the cross. His love gives you the strength and will to Love God and your neighbor. When you fail out of the weakness of your sinful nature, confidence is given that your life is covered by the work of Jesus.

This love of God and neighbor is manifested by your membership in LWML. As a member, you love God in learning about and sharing the message of Jesus. You love your neighbor by acts of mercy. All flowing from God's Love for you in Jesus. May God continue this work in you through His grace and mercy.

As your elected Jr. Counselor, I will continue forward in encouraging you in the grace and mercy of Jesus. A grace and mercy that leads us all forward in the LWML mission to love God and our neighbor.

In Christ,

*Pastor Roepke*

LWML Iowa East District

Pastoral Counselor

## VP OF CHRISTIAN LIFE

Matthew 22:37-39

*And he said to him, "You shall love the Lord your God with all your heart and with all your soul and with all your mind. This is the great and first commandment. And a second is like it: You shall love your neighbor as yourself."*

Love. That little 4-letter word is used in the English language to express our desire for many things, from favorite colors, to pizza, to

our children and spouses. We love so much stuff! Yet we forget the "great(est) and first commandment" to love God above all things. Thankfully He doesn't forget to love us as often as we forget to show our love for Him. He blesses us with "every good and perfect gift from above" (James 1:17). And included in those gifts is our love for our neighbor.

There are many ways to reach out in love, and I have shared a variety of examples with you here in this column: devotions, Bible studies, crafts, cards and more can be found on the LWML website at lwml.org. We can also witness our love for God and our dedication to spreading His Gospel message by 'advertising' our church and the mission of the LWML on our clothing, jewelry, coffee mugs, and water bottles. These are often conversation starters that can lead to a witness of how God's Work is being accomplished through collecting mite offerings – to the tune of more than \$100 million in the past 78 years.

Our Christian Life committee has a lot of these specific items available for purchase at our District convention celebration planned for September 12 at Camp Io-Dis-E-Ca. Clothing, devotions, Bible studies, jewelry and more will be on hand. Can't attend the day at Camp? Perhaps a friend from your congregation or Zone will be there and would be willing to pick up some items for you. Or maybe you are the one attending and could bring home a new mug or necklace for someone in your church. I encourage you to proudly use these tools to spread the love of Jesus to everyone you meet!

## VP OF ORGANIZATIONAL RESOURCES

The IED has been blessed by the service of Janell Wollschlager over the past four years as the District Vice President of Organizational Resources. This past June, the delegates elected me to continue her work for the next four years. I am so excited for this opportunity and very much look forward to serving our Lord through the LWML in this capacity.

My husband, Drew, and I live in Marion with our three children - Jack, Everly and Luke. Our days are filled with school, 4-H,

gymnastics, swimming, going to the library, and exploring the world around us. When we are not trying to keep up with our kids, you can find Drew biking, running or gaming and me at Starbucks.

Having children has been one of the biggest blessings of my life. Seeing their faith just as Jesus described during his life on earth has changed me in the best, most unpredictable, way. Their unknowing example has shown me what it means to love the Lord with all your heart.

I am so grateful for the commitment of the LWML to continue to show the love of Jesus to our neighbors, near and far. I very much look forward to the opportunity to live this love to each of you through this newly elected position. Thank you, truly, for blessing me in this way.

## VP of Human Care

I am excited to be back on the Board of Directors and serve as your Vice President of Human Care. Some of you may already know me from the different roles I have had on the board. I live in Muscatine with my husband Darren and we attend Our Savior Lutheran Church. I work as an 8th grade math teacher in the Muscatine School District.

Teachers and students everywhere have just come off the weirdest and most challenging year of their careers. As I sit here and write this article schools across the state and country are trying to figure out what school will be like in the fall. Parents, students, and teachers are scared, worried and nervous about what their school will be like. Please pray for all those who are making difficult decisions about this new school year and the decisions they may have to make as the year progresses.

We have lots of different kinds of teachers in our midst. We have those that teach in our churches in Sunday School, weekday school,

VBS, etc. We have those that choose to homeschool their children. We have teachers that teach in our Lutheran schools and those that teach in public schools. All need our love and support. Here are some ways to support them. First of all, pray for them. Teaching can be a tough job no matter where you are doing it. A note of appreciation for their work can make their day. In most schools, money is in short supply and so helping out a teacher with supplies they need for their classroom will be most appreciated. If you don't know what to buy just ask. It won't take them long to let you know their needs. Or a gift card where they can make their own purchases. Don't forget the students in your communities. Many cannot afford the supplies they need. Some towns have collections for school supplies. Basic school supplies will be gratefully received if dropped off at the local school.

These are just a few ways that you can show your communities that you love and care for them.

## VP of Communications

About this time last year, I prayed for guidance and insights as a member of LWML-IED Nomination Committee. One of the names that came to mind was Helen Huedepohl (myself). Now I pray fervently for God to provide all that is needed to serve Him in this position. Would you join me praying for all of your leaders?

My husband Larry and I live on the campus of Highland Ridge Senior Living Community in Williamsburg. Our church family is St. John's by Homestead. Our four children and five grandchildren live in Iowa and Oregon.

If you served as a delegate for LWML-IED this year, you know that the VP of Communications position is changing in scope and structure. However, if you do have questions concerning LWML at any level, feel free to contact me. (Look on page two for contact details.) I will do my best to find the person who knows the answer.

I have a question for you. What would you

like to see on our LWML Iowa East District Facebook page? Have you visited that page? Here's the link <https://www.facebook.com/iedlwml>. This page plus our website <http://lwml-ied.org/> endeavor to keep you informed.

Our theme verse provides guidance and advice for all our communications: Love God and others! May God's love permeate all of our communication.

## NOTES FROM THE TREASURER

Greetings to my fellow sisters in Christ from your newly elected treasurer, Becky Gluesing. As we get to know each other, here's a little about myself. I am a retired RN, having spent the vast majority of my career working

in the operating room. I am a wife, mother and grandmother. My husband Wayne and I have been married for 46 years. We have three adult, married daughters. They have blessed us with seven lovely grandchildren, five girls and two boys. I have been a member of LWML for 46 years serving in various roles at the local and zone level. This is my first district office, as such I am asking for your support and prayers.

I'd like to share something I read about the number 2020, the year we are in. An interesting fact is that if you add 20 and 20 together you get 40, which is an important number in scripture. The number 40 is mentioned 146 times in the Bible. Some of them are well known – it rained for 40 days and nights while Noah was on the ark, the Israelites spent 40 years in the desert after fleeing Egypt and Jesus fasted for 40 days before beginning his ministry. Lesser known 40's include - Jonah spent 40 days warning Ninevah to repent, Elijah also fasted for 40 days on Mt. Horeb and that Saul, David and Solomon all reigned for 40 years. In the Bible 40 often represents a period of testing, trial and probation. Does that sound familiar?

The other thing about the year 2020 is that 2020 is the number used to signify perfect vision. But in reality, the only one with perfect vision is our heavenly Father. He truly knows what is best for us, even if it's not what we have planned. He sees beyond our physical form into our hearts. Our theme for this issue of the Alive is Matthew 22: 37-39. We are to love the Lord your God with all your heart, with all your souls and with all your mind. This tells me we need to rely on His 20/20 vision to give us what we need and lead us through these trialing times we are experiencing.

In closing, here is the current accounting of our allocations with a reminder that even during this period when meetings have been curtailed, we continue to have expenses. Please remember your mites.

## LWML SUNDAY

The first Sunday in October is traditionally set aside for the observation of LWML Sunday, but it may be celebrated at any time.

The theme for LWML Sunday 2020 is based on Jesus' words to the chief priests and Pharisees found in Matthew 21:43 that ... The kingdom of God will be ... given to a people producing its fruits. As people of the kingdom of God, God graciously nurtures us and generously gives us everything we need to produce fruit for the kingdom during the fruit-bearing season of our lives. In response to God's grace and empowered by the Holy Spirit through Word and Sacrament, Kingdom People (in the LWML) Produce Kingdom Fruit for the season of our whole life on this earth.
