Adding more zone news (Thanks Davenport and St. Ansgar

Making lots of update—apologize for being slow

Name \_\_\_\_Hilary Brech\_\_\_\_\_

Position \_\_\_\_**Meeting Manager**\_\_\_\_\_

Report:

President Margaret made my job easier recently as while we meet at camp, they do all the hard work of arranging the meeting space for us. However, I have still found things to do since the last board meeting. I have assisted with creating and sending out the Call to Meeting. I have sent many emails pulling together details for the fall gatherings, as well as regarding this upcoming meeting. I have helped update the 2021 magnet and the meeting plaque cards. I updated the district roster after the last board meeting and sent it out. I finally got around to creating a list of tasks that I complete for this position for Carolyn as the VP of Organizational Resources.

#### November 2020 - Report from IED-LWML **Member Development Committee**

Lauren and I attended the BOD meeting held at Camp Io-dis-e-ca on August 8. We also attended the IED Convention/Celebration held at the Camp on September 12. Currently we are working at publicity on being a YWR at the convention in Lexington.

We would like to give thanks to Martha Hartwig for her years of serving on this committee-she did a great job! Especially big THANKS to her for designing and making "The Wings" President Margaret was to wear if the fundraiser challenge at our convention was met--AND thanks to everyone-we made it. Thanks be to God! President Margaret has been seen at rallies this fall wearing those purple wings.

Looking forward to the coming year and helping spread the opportunity for women to serve their church in the LWML.
