NEWS DEADLINE: April 15, 2016

Beauty in the LWML

About 25 years ago, I became very ill. The nature of my illness was puzzling, even to the doctors. It took more than two years before I had a diagnosis in hand. Meanwhile, we had to drop one thing after another from our lives. So many things I thought I had to do, and enjoyed doing, I could no longer do. One day, at a very low point, I shared with my husband, Roy, that I only had enough energy for caring for our young children, and some days I couldn't even do that! Roy's response surprised me, "What if everyone made their children their priority? Think what this world would be like!" Wow! What an impact this had on me. I could no longer participate in church choir, or leading the youth group, LWML meetings, or participate in weekly worship, but what I did get to do was to give our children a loving home and a strong spiritual foundation.

As my strength returned slowly over the years, while pacing my daily activities carefully, I began to ask, what CAN I do? I knew what I could no longer do, so I began to focus on what my limited energy would allow me to do. Slowly, my life returned to a new normal. One of the things I discovered during this time was the beauty of the LWML. We can participate in this group at many different levels. I encourage you to seek out and find the level that is right for you, one that not only fits into your life, but challenges you to take the next step in your spiritual journey. Be open to how and where God invites you to participate in His mission, sharing the love of Jesus with others by giving to mites, chairing a meeting, serving a funeral luncheon, leading a devotion, being a Zone officer, joining the District board or writing an article for the Alive or the Quarterly! No matter what your circumstances are, God can use you. The opportunities are boundless!

I hope to see you all this summer, God willing, at the 38th Biennial LWML Iowa East District Convention in Oskaloosa on June 17-18, 2016. What a joy to be able to celebrate missions by electing officers, choosing Mission Grants and praising our Lord together, united as Sisters and Brothers in Christ.

Matthew 6:34. *"So do not worry about tomorrow; for tomorrow will take care of itself. Each day has enough trouble of its own."*

LWML IED President

Counselor's Corner

Right now – think of a situation that concerns you. It may be in our world, in our culture, in your family, or in your own private life. Got it?

Now take the next 15 seconds and worry about it. Ready . . . Go! That was SO productive wasn't it? It did wonders in helping change the situation, didn't it? Worrying is so valuable isn't it? (I hope sarcasm comes through in print).

Now take that same situation and use a different approach, one Jesus gives in Matthew chapter 6 and ask yourself these questions:

Does God take care of sparrows?

Yes.

Does God love you more than sparrows?

Yes.

So will God take care of the situation?
YES!

Does God take care of the flowers? Yes.
Are you of way more value to Him than flowers? Yes.

So will God take care of the situation?
YES!

Has worry ever, ever accomplished anything good?

No!

Jesus deals firmly and yet gently with us and our worry moments. He develops and delivers His gift of trust by filling our minds and hearts with what He tells us about the love and care of our Heavenly Father. Read Matthew 6:25-34 and hear a loving Savior pointing you to a loving Father to whom you can come with your "situations." These verses are loaded with promises, assurances, and reminders that Jesus uses to tell us that whatever it is that concerns us is something that is within our Father's knowledge, concern and control.

The divinely inspired alternative to worry is to seek the Kingdom of God and His righteousness, that is, to receive the salvation of Christ that comes through the Word of God. Then we will know and be assured that "He who did not spare His own Son, but gave Him up for us all, how will He not also with Him graciously give us all things." (Romans 8:32)

Zone & Society Reminders

It is time once again to bill each society for their Quarterly and ALIVE subscriptions. The price for the Quarterly is \$5.00 per year per subscription when ten or more copies are sent to one address. If less than ten copies are sent to one address, the price is \$6.50 per subscription. The cost per year per ALIVE subscription is \$3.00.

Society Presidents and Treasurers should have received statements in February. Please make every effort to submit your remittance as soon as possible. Please contact myself or Elizabeth Gehle if you have any questions or concerns about your statements.

Also, please continue to send in your updated Society Record Forms for 2016. You can find a copy online at <http://lwml-ied.org/societyresources/>.

I would like to close with a thank you. With the end of my term approaching in June, I wanted to take this opportunity to thank each of you for your prayers and support. It has been a wonderful experience and it was a great pleasure to serve with you at our National Convention in Des Moines and the past four years. I have fond memories that I will cherish.

God's blessings to each of you as together we are Lutheran Women in Mission who are in the Word, of the Word, and walking with our Lord.

Human Care

"Therefore, do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own." Matt. 6:34. It is our sinful nature to worry, we know worry doesn't solve anything. If only we take our worries to God in prayer.

Most everyone knows someone – in our own family, in our church family, a neighbor or coworker, who has heard the diagnosis of cancer. As they struggle to cope with

this possible life threatening disease, we can stand by them to show our love and support as Jesus would have done. Pray that you might be able to meet some of the physical and spiritual needs of the patient and patient's family. Send cards, give lots of hugs, offer transportation to doctor's office or treatment center, treat the patient and family to a meal. Offer a few hours or half day relief to a caregiver. Deliver altar flowers to the patient if available, email uplifting stories and jokes. God is our refuge and strength, an ever-present help in trouble. Ps. 46:1.

A reminder to bring complete mercy (Hygiene) kits for the 2016 LWML Iowa East Convention in Oskaloosa June 17-18. Each kit consists of one of each item: bath towel(dark), wash cloth(dark), bath size bar of soap (wrapped), adult size tooth brush, sturdy comb, stick deodorant, 6 Band-Aids(3/4") secured together, and 1 or 2 tissue packets. All items should be new and the loose items should be rolled up in the washcloth/bath towel, and secured with a ribbon or yarn. See you at Convention!

Christian Life

I was thinking about the theme for this article of the "Alive" and I wondered how well I was adhering to its message:

Matthew 6:34. "So do not worry about tomorrow; for tomorrow will take care of itself. Each day has enough trouble of its own." (I would also advise going back and reading verses 25-33.)

As I thought more and more and pondered on this passage, I realized that I don't worry about tomorrow as much as most people do as they age. I have been of the mindset that what will be will be, God holds my future in his hands. Sure, I have a five year plan, goals in life that I still want to achieve, but I am not worried that these plans or goals may change along the way. I struggle enough just to get through each day as it comes for as we all know, tomorrow never arrives, with each new day, it is today. I feel this was God's way of telling us "DON'T WORRY!" Philipians 4: 6-7 states "Do not be anxious about anything, but in everything, by prayer and

petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus."

Can anyone tell me how often you have heard these words, "Don't worry about tomorrow." We hear it in the faithful hymns of our church, we hear it from our friends and family members, and our pastors preach this in sermons, echoing what God tells us in His Word. We need to listen to what God is telling us. Luke 12:24-34 parallels Matthew 6:25-34. Put your faith in God. Listen to what He is telling you in His Word, "Don't worry about tomorrow." He will take care of you today! "Cast your cares on the LORD and he will sustain you, he will never let the righteous fall." Psalm 55:22; Proverbs 3:56 tells us to "Trust in the LORD with all your heart and lean not on your own understanding; in all your ways acknowledge him, and he will make your paths straight."

"Have No Fear Little Flock" (Hymn 735, LSB) sums up this message for me, I hope it does for you!

Where has the time gone? It seems like the postman was placing applications for student aid in the mail box for 2015-2016 and here it is time once again for the process to start all over. The May 1st deadline is just around the corner so do not delay. We are now accepting applications for Undergraduate Student Aid grants for the 2016-2017 school year. The applications can be found online at www.lwml-ied.org. Look under Mission Grants for the student aid page. As you read through the application guidelines, #4 contains the links for the application and financial condition forms to be downloaded. At the bottom of the page you will find a link for the Student Aid Checklist. If you have questions be sure to call me at 614-715-4108. Please keep the postman busy with your applications.

Cynthia Keefot
V.P. Gospel Outreach

mites continue to come in, we are able to honor the grants that are still pending. Here is an overview of three more mission grants that we have for the 2014-2016 biennium.

"Short-Term Mission Trip Assistance" - \$5,000 payment pending

A goal of the LWML is to encourage each LWML District to participate in short-term mission opportunities to raise awareness of the great need of spreading the Gospel Message throughout the world. The LWML Iowa East District is committed to offering short-term mission opportunities for its members. This grant would fund portions of travel for LWML Iowa East members in an effort to expand the number of women who can participate in short-term mission trips.

Migori Lutheran Church, Kenya, "Pastor and Evangelist Transportation" - \$5,000 payment pending

In an effort to reach more people with the message of salvation through faith alone in Christ Jesus, leaders of Migori Lutheran Church in Kenya travel great distances on foot. This time-consuming mode of transportation is a poor utilization of the Pastor and Evangelist's time. More time-efficient travel could be achieved by purchasing two modest-priced motorcycles, with proper helmets, jackets, and insurance, which this grant would support.

Mission Central, "Mercy Work, Concordia Welfare & Education Foundation, China" - \$10,000 paid in full

This project builds strong, lasting relationships with the Chinese people who desire and need education, health and sanitation, and developmental opportunities such as education scholarships, building schools, libraries, water wells, latrines, clinics, medical training, HIV/AIDS education and micro-credit establishment. The church connects these physical life-sustaining benefits with Word and Sacrament ministry. These blessings are shared in Mainland China with the poorest of the poor. Adoption of this grant will allow LCMS missionaries dedicated to spreading the Holy Gospel to connect with the poorest of the poor of Mainland China through mercy projects that will shine the Light of Jesus on their lives.

Help Available to Zone and Society Leaders

For most societies, as well as the zone, district and national levels of LWML, the new year does not begin in January. By this time, officers and members are well into the work of this biennium. How did your orientation go? Do you still have questions about what needs to be done when?

If so, help is available! The officers at each level are ready and willing to answer your questions and find the information or resources you need. Or, if you stump them with a really unique query, they will help you find the answers. Often the quickest way to get help is to go to www.lwml.org. It is a very user friendly resource for information about upcoming events, program ideas, Bible Studies, devotions, etc., as well as all the items available at the LWML store.

My resolution for 2016 is to be more effective in my role as chairman of the Iowa East District Member Development Committee. In order for me to accomplish this, I need your help in three ways:

1. Volunteer for the District Member Development Committee, or persuade someone from your society to do so.
2. Let me know the issues, concerns, struggles, and successes you have in developing the full potential of your society or zone. We are open to suggestions about ways in which the Member Development Committee can enhance Zone Rallies, District Convention, or Retreat.
3. Pray that each member finds their best way to "Serve the Lord with Gladness."

We look forward to seeing you in Oskaloosa in June!

Don't miss out!

Heart to Heart Sisters

"So do not worry about tomorrow for tomorrow will take care of itself. Each day has enough trouble of its own."

Each day surely has enough trouble. How does the Heart to Heart Sisters program spread across our district? Who will do that 'spreading'? How do we find our Heart to Heart Sisters? What do we say? How do we act?

Matthew tells us not to worry about things that haven't happened yet. God has promised that He will not abandon us. Christ tells us He will be with us to the end of the age. So why do we worry about how to act or what to say to our Heart to Heart (H2H) Sisters - our sisters of diversity? Why? Because we are all weak, fear-filled, sinful human beings!

The solution? We need to actively welcome our H2H sisters. Learn together of each other's similarities and differences. Speak in love and about Christ's love to each other. Reach out and draw them in - sharing a oneness in Christ. Now, THAT'S sisterhood!

SONshine Mission Circle - Peace Lutheran Church, Oelwein

The members of the SONshine Mission Circle of Peace Lutheran Church in Oelwein were busy ladies in 2015 with many Mission Outreach projects such as donating to Camp Io-Dis-E-Ca, the Rev. David Preus, the Rev. Michael Holmen, Cross Road Mission Church, Malawi Medicine Bottle Project, Buchanan County and Fayette County Food Banks, the Giving Tree, the Community Lutheran School and honoring our local veterans. In 2016, in addition to the above projects, we plan to support the Orphan Grain Train by making Hygiene Kits, Cancer Care Packages - Phil's Friends, and the Brothers and Sister's in Kenya.

We are inspired by God's Word and recalling His promises we promote mission awareness and support mission work, so everyone in this world can hear the word of God and we do it by serving with love and gladness.

Trinity LWML, Davenport

On November 21 Davenport Trinity LWML sponsored a cancer benefit for one of its long-time church members, Fritz Miller. Trinity used Thrivent Action dollars to help fund the event. The benefit included a potluck, silent auction, and live music by local Christian artist, Maria Klein. Over \$5000 was raised at the event to help the family with medical expenses.

On December 16 Davenport Trinity LWML co-hosted an Advent supper with the First LEGO League (FLL) Team. Trinity used Thrivent Action dollars to purchase the food. The Advent Supper included a Christmas carol sing-along, and preceded the 1st-3rd grade Christmas program given by Trinity Lutheran School students. Donations received from the supper totaled \$330.10, and all money went to fund Trinity's FLL team, comprised of Trinity Lutheran School and home school students. At the FLL Regional Qualifier in December, Trinity's FLL team earned 1st place Champion's Award, 1st place robot score, and advanced to the Iowa FLL State Championship on January 16th.

In Loving Memory

Becky Wright, Marshalltown Zone President, was called home to our Lord and Savior, Jesus Christ January 25, 2016. Becky was a stay at home mom and wife for many years. She served God in everything she did and was part of LWML. She loved her grandchildren and her church family. She was 54 years old. (Pictured with her husband, Steve).
