

Encouragement – From the Christian Life Committee

Have you ever had to be encouraged to do a job, to play an instrument, or to participate in some sport? Do you ask other women to come to your LWML society meetings, Zone rallies, District or National conventions? We should encourage all women to come see what is done in these meetings and times of gathering and fellowship. Have you asked any of your friends to volunteer with you for an LWML event? Now is the time to do it. If others see what joy we get while serving the Lord through the LWML, it may just be the thing to encourage them to also participate. Welcome them to come to Des Moines for the National Convention and to bring their families along.

Orphan Grain Train

The Women's Guild of St. Paul, Williamsburg, has been collecting clothing for the Orphan Grain Train. The Orphan Grain Train semi arrived on May 7 to collect the clothing. Several volunteers helped load the truck with all the donations.
