Des Moines LWML Convention ~ June 25-28, 2015 ~ Iowa East & Iowa West Districts ~ Volume 1 Issue 3 ~ February 2015

A Minute with Marilyn

Here we are, the first day (literally) of another new year – 2015! And, it’s also the year of the exciting 36th Biennial LWML Convention that we will be hosting in less than six months in Des Moines. Are we ready for this awesome experience, one we’ll never forget? I’m sure we are!

Committees are busy reviewing and assembling all the duties down to the finest of details. Workers are volunteering and eagerly waiting for schedules and convention assignments of where they can best serve the anticipated 5,000 attendees come June. Thanks to all of you for your service of love. Many workers are needed – there’s a task for everyone!

Whether or not this is your first convention experience, I guarantee you it will be one you’ll always cherish. Together we will be fed by God’s Word and Sacrament, nurtured through worship and fellowship, and equipped to sow, nourish, and reap in our Father’s field, and we will thank, praise, and share our Heavenly Father’s love. Please enjoy a bountiful and blessed 2015!

Marilyn Schroeder
2015 Host Committee Chairman

Convention Theme

The convention theme is based on the following Scripture passage: *And God is able to make all grace abound to you, so that in all things at all times, having all that you need, you will abound in every good work* (2 Corinthians 9:8 NIV).

Convention Goal Statement

Through Christ’s bountiful love and blessings of Word and Sacraments, I am equipped by the Holy Spirit to work in my Father’s harvest field.

Convention Objectives

Convention attendees will be:

- Fed by God’s Word and Sacrament
- Nurtured through worship and fellowship
- Equipped to sow, nourish, and reap in the Father’s field

Facility Department Coordinates Convention 'Behind-the-Scenes'

Never before in a behind-the-scenes planning role for a national LWML convention, I now know that I've wrongly taken for granted all the detailed work that goes into an event of this magnitude. Every convention I've attended seemed to take place so effortlessly ... a sure sign that those who served before me did an outstanding job! Learning new skills and organizational strategies is a benefit of volunteering for a role such as this. I am doubly blessed by this opportunity to work with sisters in Christ from both Iowa East and Iowa West Districts. To GOD be the glory!

The Facility Management Department consists of the following women who are actively preparing for the

Sharon Andresen,
Facility
Management
Coordinator

2015 LWML Convention in Des Moines.

Properties Committee Co-Chairmen, **Kim Meyer** and **Martha Hartwig**, have located a storage facility for incoming shipments of convention components. They are also in the process of securing requested properties for use during the convention. Martha will also serve as the Properties Room Director during convention. **Julia Chestnut** will serve as support to Kim and Martha as Director of Exhibitors' Support, and **Betty McConnell** will serve as Director of Communication and Inventory Control.

Ushers Committee Chairman, **LouAnn Knaak**, has been working on her request for workers and needs enough ushers for each area. She is looking for additional Pages at this time, also (see page 7). Directors supporting LouAnn include **Bobbie**

Mossner, Handouts; **Jill Fraser**, Main Floor Ushers; and **Diane Schulz**, Pages.

Worship Support Committee Chairman, **Janice Johnston**, has completed her assignments in selecting the artist who will be making the Convention communion ware. Together with **Lynda Krueger**, Director of Elements and Communion Ware Packaging, details are coming together to purchase the elements for the opening communion worship service.

In the months ahead, please join me in prayer for the entire Facility Management Department as we complete our convention planning goals, acknowledging that God has called us to prepare for HIS convention. Please also include prayers of thanks for these dedicated women who are determined to make this convention seem effortless when we welcome our sisters in Christ to Des Moines in June.

Personnel Resources Department Prepares for Many Aspects of Des Moines Convention

After months of planning, 2015 has arrived and the LWML Convention is just around the corner! The Personnel Resources Department has three chairmen working to provide for the needs of convention attendees.

Personnel Data Management Chairman, **Jan Steffen**, has filled the database with the names and information of all who have volunteered to serve. We still need more workers to fill the many and varied volunteer positions for the convention.

Tracy Stetzel,
Personnel
Resources
Coordinator

Hospitality Committee Chairman, **Jane Shever**, oversees the Directors of Exhibits, First Aid, Lost & Found, On-Site Hostesses, Workers' Room, Wheelchairs & Assisted Seating, and Information Desk. These services will be available to all attendees to insure a positive convention experience.

Special Dress Committee Chairman, **Barb Huseman**, and her team have worked with LWML members in Iowa East and Iowa West Districts to prepare attire to be worn by all convention workers. They created a beautiful convention badge that truly represents our two-district Host Committee.

Please keep all members of the Host Committee in your prayers, as we make worker assignments and finalize convention plans. May all our efforts result in a convention that glorifies God, and focuses on the mission of the LWML, bringing Christ's love and His message of salvation to all.

Iowa East & West convention badge

Clergy Corner

The theme for this summer's LWML convention is "Bountiful! Sow • Nourish • Reap." This theme is perfect for a gathering in Iowa! When traveling into our state the signs that welcome you say, "Welcome to Iowa, Fields of Opportunities." This refers both to our national reputation for outstanding agricultural production and our worldwide reputation for superior educational and technological opportunities. I also believe it is a great way for all those coming to Iowa for our convention to remember the theme "Bountiful! Sow • Nourish • Reap."

Most of the Bible was originally written to those living in an agrarian society, people familiar with working the land, managing livestock, and raising crops. Many of Jesus' parables involve the farming life. Not surprisingly, then, the Bible contains many references to sowing and reaping, however, not much is said about plant nourishment. The closest reference is probably in I Corinthians 3:6 where Paul says, "I planted, Apollos watered, but God gave the growth."

Down at the soil level where crops grow, understanding plant nutrition is important. Plant scientists tell us that in order for a plant to grow, the nutrients must be in a form the plant can use. God in His grace gives us the nutrition we need. He gives us Jesus! Jesus comes to us in His Word and Sacraments. It is through these means of grace that He offers and gives us the forgiveness of sins, life and salvation. Martin Luther reminds us of the nourishment we receive from Christ:

O Lord, we praise Thee,
bless Thee, and adore Thee,
In thanksgiving bow before Thee.

Thou with
Thy body
and Thy
blood didst
nourish

Our weak souls that they may flourish:

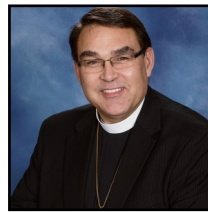

O Lord, have mercy! (TLH 313)

Farmers inform us that for there to be a bountiful harvest, nutrients must be present in a usable form at the time the plants can make best use of them. This is where God uses us. There are people who are spiritually dying because they need the nourishment only Christ can give. Who are these people? Some are certainly those who live in lands far away with unfamiliar cultures. But there are others nearby. They are members of our families, they are our co-workers, and they are our neighbors. Their need is our opportunity to tell them about Jesus. The Holy Spirit works through people like you and me to share the good news of the love God has for us in Jesus Christ.

Yes, God opens for us "Fields of Opportunities." The greatest blessing we receive from God is the forgiveness of sin and the promise of everlasting life. When we share that Good News (the nourishment of Christ) with others, something amazing happens. We are actually delivering what our neighbor needs most and what Jesus freely gives, the forgiveness of sin. Martin Luther concludes his hymn:

May Thy body, Lord, born of Mary,
That our sins and sorrows did carry,
And Thy blood for us plead
In all trial, fear, and need:
O Lord, have mercy!

In Prayer for One Another

Convention is just a few months away! I can only guess how many prayers have already been lifted up for help, wisdom, patience, guidance, and success in preparing for this convention. As we begin the

**Karen Menz,
Prayer Chairman**

"home stretch," those prayers may increase in urgency and frequency, but again, let's remember Whose convention this is and Who is in control. Our prayers for the convention, for our own labors in preparing for it, and for our prayer partners and their work are welcomed by God, and they are good for us.

Keeping focused on *from where my help comes* (from Psalm 121) grounds me. That time in prayer helps me focus not only on my needs but on the needs of others. Often, as I pray, I reflect on the ways I've seen (and recognize there are most certainly countless ways I have NOT seen) God answering those prayers. What an amazing God we serve and what blessings He has in store for all of us in June 2015.

I am excited for the Grace Place Prayer Chapel for which my director Terri Cooper and I are making preparations. It will be a restful escape for meditation, prayer, contemplation, and if needed, supportive conversation during convention. Please plan to visit Grace Place and let your society members know of its presence. I might even challenge you and your prayer partner to schedule a time to come in and pray together. We plan to be open 8 a.m. to 6 p.m. on Thursday, Friday, and Saturday during convention. **Busy** is beyond what you will probably be, but take five minutes to just be still ... and know that He is God.

Be still and know that I am God (Psalm 46:10a).

Planning for convention, '80s style

It's 1985 and a popular movie, *Back to the Future Part II*, is playing on the big screen. Marty McFly heads to October 2015. There was recently a news story that talked about the things we don't have now that were foreseen in the movie. Who knew in 1985 how different it would be to plan a national LWML convention?

In 1985 at the LWML convention in Ames, the Press and Publicity Committee was responsible for the daily newspaper. And back then it was all done on a typewriter! There were no personal computers, no tablets, no texting, no cell phones, and no email to help us communicate.

The Committee also took district photo orders at convention. The committee was able to meet most of the 8,000 in attendance. Now we can see all of those hundreds of pictures immediately on Facebook.

The Transportation Committee had the task of transporting many from the Des Moines airport to the Iowa State University campus in Ames. Each person had their information on a 3x5 card and spread out on a table. Excel sure can make that a much simpler task of making the arrangements. And who doesn't have a GPS to direct them to the Iowa Events Center?

So many other changes in these past 30 years. But some things haven't changed. LWML is still communicating the Good News through our mites and our mission projects. To God be the Glory!

Young Women are Needed as Pages

The Personnel Resources Department is busy assigning volunteers to work at Convention. One area still in need of workers is that of Pages. We would like to have a dozen. We need your help in recruiting more Pages!

- Pages are to be between 14-17 years of age.
- There is NO REGISTRATION fee for Pages. They should be listed on an adult's registration form, Line 6 - Children under 18.
- Any teenager who is staying overnight during the convention MUST be housed with an adult, be that a parent, other relative or friend (they may be asked to help pay for their lodging, but that is up to the adults with whom they are rooming). Pages living in the Des Moines area may wish to commute to convention, staying at home overnight.
- Pages may choose not to attend the entire convention, and should indicate any preference of days for working on a CALL FOR WORKERS form.
- Pages will be given a t-shirt, hat and badge to complete their Page Special Dress. The order form for the t-shirt will come in their worker packet, when assignments are made. If a Page wants more than one t-shirt they will incur that expense.
- Pages will pay for their own meals.
- It is hoped that each Page will be able to work two, 4-hour shifts. This may be adjusted to best fit the number of Pages available.

Page Duties

Pages will deliver messages, run errands and assist in other areas as needed. They will serve in the delegate area and have assigned seating. Messages will be delivered at the request of delegates or VIP guests. Some pages may be assigned to assist one particular officer or committee chairman. Pages can feel free to participate in singing, Bible studies, etc. while remaining on the lookout for messages.

LWML Pre-Convention

The Lutheran Women's Missionary League was founded in 1942. From the beginning, missions have been the focus of LWML. Many women and men have supported this mission effort by placing funds in their "Mite Box". (Based on the biblical story of the Widow's Mite.) During these years God has blessed these donations to bring His saving message to multitudes. Throughout the LWML's history, over 100 million dollars have been gathered to spread the Gospel message through Mite donations.
