

Alive Extra Winter 2014

Bethlehem Lutheran Church, Mason City:

As part of our LWML Sunday celebration, we decided to start a Mighty Mites Challenge between the people that attend 8:00 service and 10:15 service. Each service had its own collection container. Pennies counted positive and other change and bills counted negative. The challenge lasted for the month of October. We collected \$124 (over half was change) which will be given to LWML mites!
